

# WHEATONARTS Nature Trail

***We invite you to explore our trail as it winds through portions of our 45-acre campus.***

Wheaton Arts and Cultural Center has collaborated with CU Maurice River to develop this trail in an effort to celebrate what artists and naturalists have known for millennia —

*Art is born of the observation  
and investigation of nature.*

— Cicero

The beauty of nature is an inspiration for its protection and preservation.

***Many thanks to the groups and individuals that have made the trail possible:***

American Littoral Society	Dunrite Sand and Gravel	It's About Community
Americorps NJ Watershed Ambassador	Boy Scouts of America SNJ Council	NJ Bluebird Society
Droll Yankee Feeders	Dept. of the Interior, US Fish and Wildlife Service	NJ DEP NJ Fish & Wildlife
Cumberland County Department of Planning	E.D. Builders, LLC	Purple Martin Conservation Assoc.
CU Maurice River Volunteers and Members	East Coast Excavation, Inc.	St. Augustine Preparatory School
		NJ Youth Corps of Vineland
