

Carl Sprengle
February 4, 2012

Carl Sprengle was a faithful member of Citizens United for over 20 years. A graduate of Rutgers University in Camden, class of 1955, he was the president of WECOM, Inc. in Glassboro and former owner of Carl's Country Store in Cross Keys. He and his wife Marguerite offered their property as a launch site for tours of the Maurice when the river was a prospective candidate for the National Wild and Scenic Program. He loved the river and saw the vision of what could be. And his hospitable nature was passed on to his son Eric who, with Diana, has shared the property for kayak trips and their famous BBQs. Carl was a great host and had a smile for everyone; he was a friendly person with a great sense of humor. He looked for solutions and not problems, which gave him a great spirit. Remembering this generosity, his family decided to celebrate that in many ways, including asking that gifts in his memory be sent to CU. We thank them for their continued kindness.
