Dear Members,

It is with a sad heart I inform you...

Our hearts and prayers go out to CU Maurice River members Sue and Tim Jacobsen parents of Jacob Jacobsen and to Jacob's wife Rebbecca and 5 year old daughter Melody. Their son Jacob was a treasure who will be missed by everyone who knew him. He was a gentle giant with a huge intellect and heart. If his heart had been as healthy as his size he would have lived 200 years!

As a teenager Jacob and his brother Matthew used to help us construct osprey platforms.

Below you can read more about this wonderful young man's life.

Jacob rest in peace.

Sincerely,

[Jane Morton Galetto](#)
