

Frank D'Onofrio
1925 - August 24, 2018

Greetings!

Each person is known to each of us in our own special way, through our interactions. Frank, by way of family explanation, was my sister-in-law's father-in-law. In case you are not part of an Italian family (I say "I'm Italian by marriage."), that means he is one of many extended "dads." Most importantly, Frank was all about his children and grandchildren, and he was also a person who liked everything done just so – Frank's way. In fact he was a major fan of Frank Sinatra, and the song "My Way" was ironically a favorite. Frank strived for perfection. He had a number of antique cars and each was kept in tip-top shape. He owned a men's clothier in Philadelphia for many years and kept the males in the family in style, including my husband. When he sold the business we missed those at-home fittings during which he took the time to inquire about each of us, and our own areas of interest.

Frank was a long-time faithful supporter of CU Maurice River, as are many other members of his family. He lived in Newtown Square, PA and vacationed in Ocean City, NJ. Traversing the bridge into OC he always checked out the osprey nesting platforms. He was a fan of our osprey colony project and often inquired about how the nesting pairs had

made out on the Maurice River. Some of you may have met him at our Pig Roast and Ah Why Knot events. Frank loved carving and serving the main dish with his son Mark (see photo below). We wish him and his loving family long-lasting memories to keep his spirit alive.

Sincerely,

Jane Morton Galetto
Board President
